Classroom Bookings: Monday – Friday, April 6 – May 5
Excavation Bookings: Monday – Thursday, May 18 – June 12

This program offers grade 7-12 students the opportunity to explore their interest in science, art, social studies, language, culture, and Alberta prehistory through the discipline of archaeology. Students will carry out curriculum-aligned classroom activities. Following this, a field trip to Blackfoot Crossing Historical Park on Siksika Nation provides students the opportunity to participate in a real archaeological excavation and uncover the history of Alberta for themselves.

The cost of the program includes transportation to Blackfoot Crossing Historical Park, and entrance into the Park ($15.00 +GST per adult; $10.00 +GST per student, reduced to $7.00 +GST per student for groups of over 25 students).
